## 2012 Y Dance Festival Performance Fee Information

### Fees: \$140/1<sup>st</sup> piece; \$125/each additional piece

#### Did you know?

The true cost of each dancer for each piece is \$250—each participating student is underwritten by Evolve Dance donors by at least \$110. Production costs include theatre rental, choreographers, production team, and costumes. In addition, Evolve Dance’s philosophy of open access to programs means that while we strive to keep costs as low as possible, we also offer scholarship to students in financial need—and contribute to every student’s true performance cost.

#### How can you help?

- We welcome donations targeted expressly to the Y Dance Festival (“YDF”), either by paying the true performance cost for your child, or contributing to our YDF Scholarship Fund.
- Participating in the Evolve/Y Dance-a-thon on December 10, 2011. Join Y Dance students, friends, family and community by pledging, dancing, or being an audience member!
- Volunteering your expertise and time. We need help with program design, costume alterations, marketing, as well as on-site assistance during Theatre Week (March 12–15, 2012), at the 2012 Evolve Dance Festival (March 16, 2012) or at the 2012 Y Dance Festival (March 17 & 18, 2012).
