For the past five years, YTheatre has presented summer Shakespeare productions in the communities of Tarrytown and Sleepy Hollow. Entering its sixth year of what has become a treasured community tradition, YTHEATRE has created a new and exciting program under the supervision of Artistic Director Peter Royston.

What is **SUMMER SHAKESPEARE**? SUMMER SHAKESPEARE is two separate camps, one for young kids, one for more mature young people, each one creating a production of a fully rehearsed, produced, and costumed Shakespeare production!

What is **SUMMER SHAKESPEARE**? SUMMER SHAKESPEARE is an opportunity for young people to experience the beauty of Shakespeare's language, stories and characters as they should be experienced: not reading about them on the page, but bringing them to life on stage!

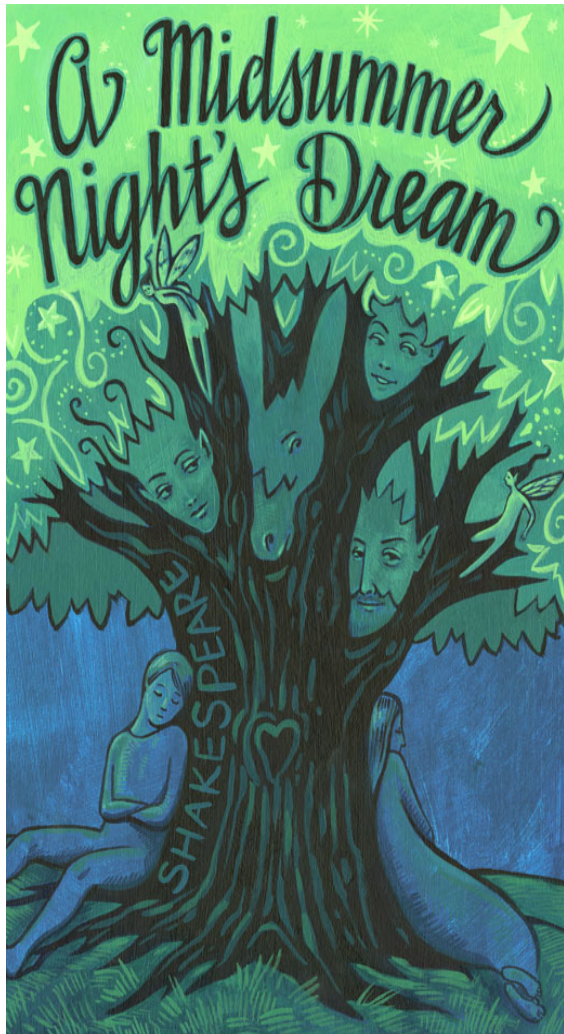

What is **SUMMER SHAKESPEARE**? A chance to learn from theatre professionals and from each other; to work hard to create something beautiful, memorable and exciting!

What is **SUMMER SHAKESPEARE**? A summer you will never forget!

FAMILY YMCA AT TARRYTOWN

Summer Shakespeare, 2010

A MIDSUMMER NIGHT'S DREAM Grades 2 through 5

You're never too young for Shakespeare! This Midsummer, celebrate love, laughter and joy in the parks of Tarrytown and Sleepy Hollow in the inaugural season of Legend Stage's Youth Troupe with Shakespeare's timeless comedy. Campers will learn the basics of Shakespeare, play theatre games based on Shakespeare's history and verse, learn safe (but fun!) simple stage combat, all the while preparing an hour long version of this classic play that still retains Shakespeare's language and magic!

Running from July 5 through the first weekend in August, this unique summer program for grades 2 through 5 meets Mondays through Thursdays, 9 am to 1 pm to rehearse the play, help to create the costumes and set, and then perform the play at Patriot's Park in Tarrytown on a stage complete with microphones. **A perfect introduction to Shakespeare for younger actors, this new program allows young people to learn the exciting joys of performance in a nurturing and safe environment!**

Register today at the Tarrytown YMCA Member Service Desk, or call Barbara Turk (631-4807) or Peter Royston (589-4405) with any questions
