I understand that private lessons are subject to instructor/pool availability and may take several weeks to process.

Failure by the student to attend their scheduled lesson is not the responsibility of the YMCA. If you are unable to attend your scheduled lesson, you must email the Senior Director, no less than 24 hours prior to the scheduled lesson time, otherwise you forfeit your lesson and no make up or credit will be granted.

Once the Senior Director has received notification that you are unable to attend your scheduled lesson for that day, then a makeup date will be granted, in the event we cannot re-schedule a makeup lesson, then a class credit will granted.

In the event of lightning or thunder, please call the YMCA 631-4807 as the pool will be closed until 30 minutes has passed and there is no further signs of lightning or thunder.
