

THE Y HAS GREAT NEWS!

Dear Y Aquatic Participant:

THANK YOU for your continued dedication to the YMCA and our aquatics program. We're excited to tell you we're going to do much needed repairs and improvements to the pool.

Unfortunately that means we'll have to close the pool August 5th (a few weeks earlier than our normal shut down) as there are a lot of moving parts that we need to coordinate. We appreciate your patience as we improve your member experience. When the pool reopens in September you'll have much improved facilities. During this time we are planning to:

- Install a new pool roof
- Replace the pool filter
- Repair/replace the main drains in the bottom of the pool
- Take advantage of the time to address other areas that need attention

Our 2019 summer aquatic schedule:

- Week of July 1st-7th operate a modified pool schedule for the July 4th Holiday, no swim lessons
- Week of July 8th-August 4th would be Summer session, lessons would be 4 weeks in total
- Monday, August 5th pool begins shut down
- Monday, September 9th pool re-opens for the fall session. The fall session will incorporate an updated aquatic curriculum from the National YMCA.

Please note: PRIORITY REGISTRATION FOR THE FALL 2019 SESSION WILL BEGIN ON JUNE 10. Contact Melissa Weaver @ melissaw@ymcatarrytown.org or 914-631-4807 ext. 106 for more information.

Once again thank you for being a part of our Y Family!
